

Attitude committed to tourism with a positive impact.

We believe that every holiday
should leave a positive impact. You do, too?

We think you'll like it here. Together, we can help boost the local
economy, take care of the island's biodiversity, and ensure you
have an enriching stay that benefits all.

Be part of the movement!

How you can help?

We fund both social and environmental projects through the Green Attitude Foundation.

Have a look at the projects you fuel when you donate Rs200 during your stay.

#1 Konpoz To Lamizik

We encourage local talent, from artists to musicians, and host our Konpoz to Lamizik music competition.

#2 Marine Discovery Centre

We care for our coastal environment through the funding of conservation, preservation, and awareness projects at the Marine Discovery Centre.

Ready to make a difference?

Let's make a positive impact together!

Pledge your support
by tying your string to the grid.

I COMMIT TO

LEARNING about the island's traditions, food and local values with the help of the Otentik Discovery app, ensuring I have an enriching stay.

HONOURING my hosts and learning about the island and its culture from the Family Members at Attitude Hotels.

PROTECTING the planet and respecting nature by leaving a minimal footprint, taking care not to drop any litter or disturb fragile corals.

SUPPORTING the island's economy by choosing locally-made products and exploring with certified guides.

BEING A RESPECTFUL traveller and sharing my positive experience with others.
