THE WINE LIST

SYMBOLS

WHAT THE SYMBOLS MEAN

SUSTAINABLE FARMING

Viticulture that limits the use of plant-protection products and puts respect for the environment first.

ORGANIC FARMING

Viticulture free from synthetic chemicals, favouring natural methods and biodiversity.

BIODYNAMIC FARMING

An approach that goes beyond organic, treating vine and soil as a living ecosystem. It excludes synthetic chemicals in favour of natural preparations, the rhythms of nature and the balance of the soil.

VEGAN WINE

No animal-derived products are used in making the wine.

“ALL IN ALL OUT” PACKAGE

The starfish indicates that the wine is included in the “All In All Out” package.

GOOD TO KNOW

INFORMATION

NV – NON-VINTAGE
