

# MARINE DISCOVERY CENTRE

## MONDAY

🕒 2 pm - 3 pm

### PLANKTON & DRINKS

What do whales eat?  
Head to SeaBreeze bar to see plankton under a microscope.

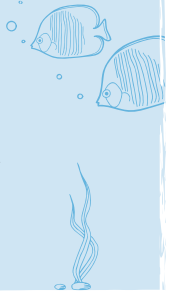

## TUESDAY

🕒 1:30 pm - 2 pm

### SALTWATER AQUARIUM

Visit our saltwater aquarium at the Marine Discovery Centre and learn about its rich biodiversity while listening to relaxing music.

🕒 2 pm - 3 pm

### SNORKELLING TRAIL

Dip under the waves and follow our snorkelling trail!  
Spot the underwater signs, see fish and learn about the marine ecosystem.  
Meet you at the Boat House!

## WEDNESDAY

🕒 Depends on tide

### MANGROVES KAYAYING TOUR

Join us for a guided kayaking tour in the mangroves.  
Visit the Boat House to book your place.

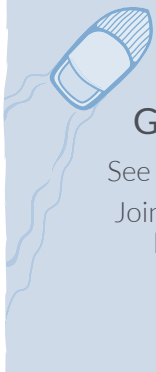

## THURSDAY

🕒 11 am - 12 pm

### GLASS-BOTTOM BOAT TOUR

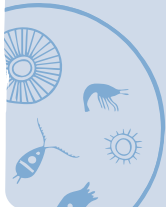

See the local marine life without getting wet!  
Join our marine biologist on a glass-bottom boat tour around the lagoon to learn about the marine flora and fauna.

🕒 2 pm - 3 pm

### PLANKTON & DRINKS

What do whales eat?  
Head to SeaBreeze bar to see plankton under a microscope.

## FRIDAY

🕒 2 pm - 3 pm

### SNORKELLING TRAIL

Dip under the waves and follow our snorkelling trail!  
Spot the underwater signs, see fish and learn about the marine ecosystem.  
Meet you at the Boat House!

## SATURDAY

🕒 Depends on tide

### MANGROVES KAYAYING TOUR

Join us for a guided kayaking tour in the mangroves.
