ATTITUDE, A PURPOSE-DRIVEN COMPANY WITH B CORP CERTIFICATION

OUR COMMITMENTS ARE OUR COMPASS

For over 15 years, our decisions have been guided by a clear vision: to be a stable economic business that is socially responsible. To do this, we've made bold choices that didn't always tick the traditional hotel boxes. Decisions that stand out from the crowd!

Certified

Corporation

In July 2024, we obtained **B Corp certification**, a demanding distinction that recognises the impact of our social and environmental actions. Our aim: to be the best **FOR** the world, not the best **IN** the world.

We have been proudly displaying the Made in Moris label since 2019! This distinction guarantees the local origin of our products and services. It rewards our commitment to Mauritian culture, local talent and our support for local businesses.

We have been awarded the Travelife certification, recognised by the GSTC (Global Sustainable Tourism Council), an international organisation. This certification confirms that we operate responsibly, considering environmental, economic, and social aspects in everything we do.

#1 WE PROTECT THE ENVIRONMENT

MINERAL SUNSCREEN

100% natural and non-polluting, this cream is offered free of charge in all Attitude Hotels. It's a local product that helps preserve coral and underwater life.

3 600 000

We have eliminated single-use plastic from the guest experience across all our hotels, preventing the use of 3.6 million such items every year.

8 BULK SHOPS

Here, you can help yourself to tea, coffee, sugar, and other snacks. Reusable glass jars are provided so you can take your selection back to your room without the need for plastic packaging.

#2 LOCAL ALL THE WAY

GIVING PRIORITY TO LOCAL PRODUCE

We source as much as possible from local producers, with over 50% of the food and drink served in our hotels coming from suppliers with the Made in Moris label.

OTENTIK INVESTMENTS

We've set up our own investment company to support local entrepreneurs when they need it most.

PROMOTING CRAFTSMANSHIP

We commit to using locally-made furniture. During our renovations, at least 75% of furniture and décor are sourced from Mauritius. Attitude has also created the Otentik Bazar, a shop dedicated to helping guests discover and purchase creations by local artisans and entrepreneurs.

#3 NOUS ACCOMPAGNONS LA COMMUNAUTÉ LOCALE

PROMOTING LOCAL CULTURE

Our ambition? To put the spotlight on Mauritian artists and support them, so that they can make a living from their art.

To achieve this, we organise Konpoz to Lamizik music competition every year. It helps shine the spotlight on new local talent! We also support a range of cultural initiatives, including music videos, photo exhibitions, albums and festivals, plus talks that debate the important issues that unite us.

GREAT PLACE TO WORK

We have been awarded the Great Place to Work certification. This label recognises our tangible efforts to enhance the well-being of our Family Members (our employees): training and career development, health check-ups, benefits in kind, profit-sharing, and more. All against a backdrop of respect for everyone's diversity and a desire to change the way things are done.

These are just a few examples of our initiatives. Explore all of our commitments on our website:
