Water is precious – let's use it wisely

Mauritius is facing an unusual drought, making water more precious than ever. Small actions can make a big difference:

- 💧 Take shorter showers
- 💧 Turn off the tap when not in use
- 💧 Reuse towels to reduce unnecessary washing

Despite our best efforts, temporary water cuts may occur. Until the rains return, please be assured that we are doing everything we can to minimise the impact on your stay.

Thank you for your understanding.
